## BRAND GUIDELINES

12

### Primary Color Palette

Here are agInnovation's primary colors. Please note that while orange is one of agInnovation's core colors, it should only be used for non-textual elements such as lines and other decorative components. Use this brand guide as a reference for color styling.

NIGHT SKY  
#0B124B

GRASS  
#8DC63F

EARTH  
#A07532

CLOUD  
#FFFFFF

### LOGO MISUSE

**DO NOT** rotate the logo.

**DO NOT** distort or warp the logo in any way.

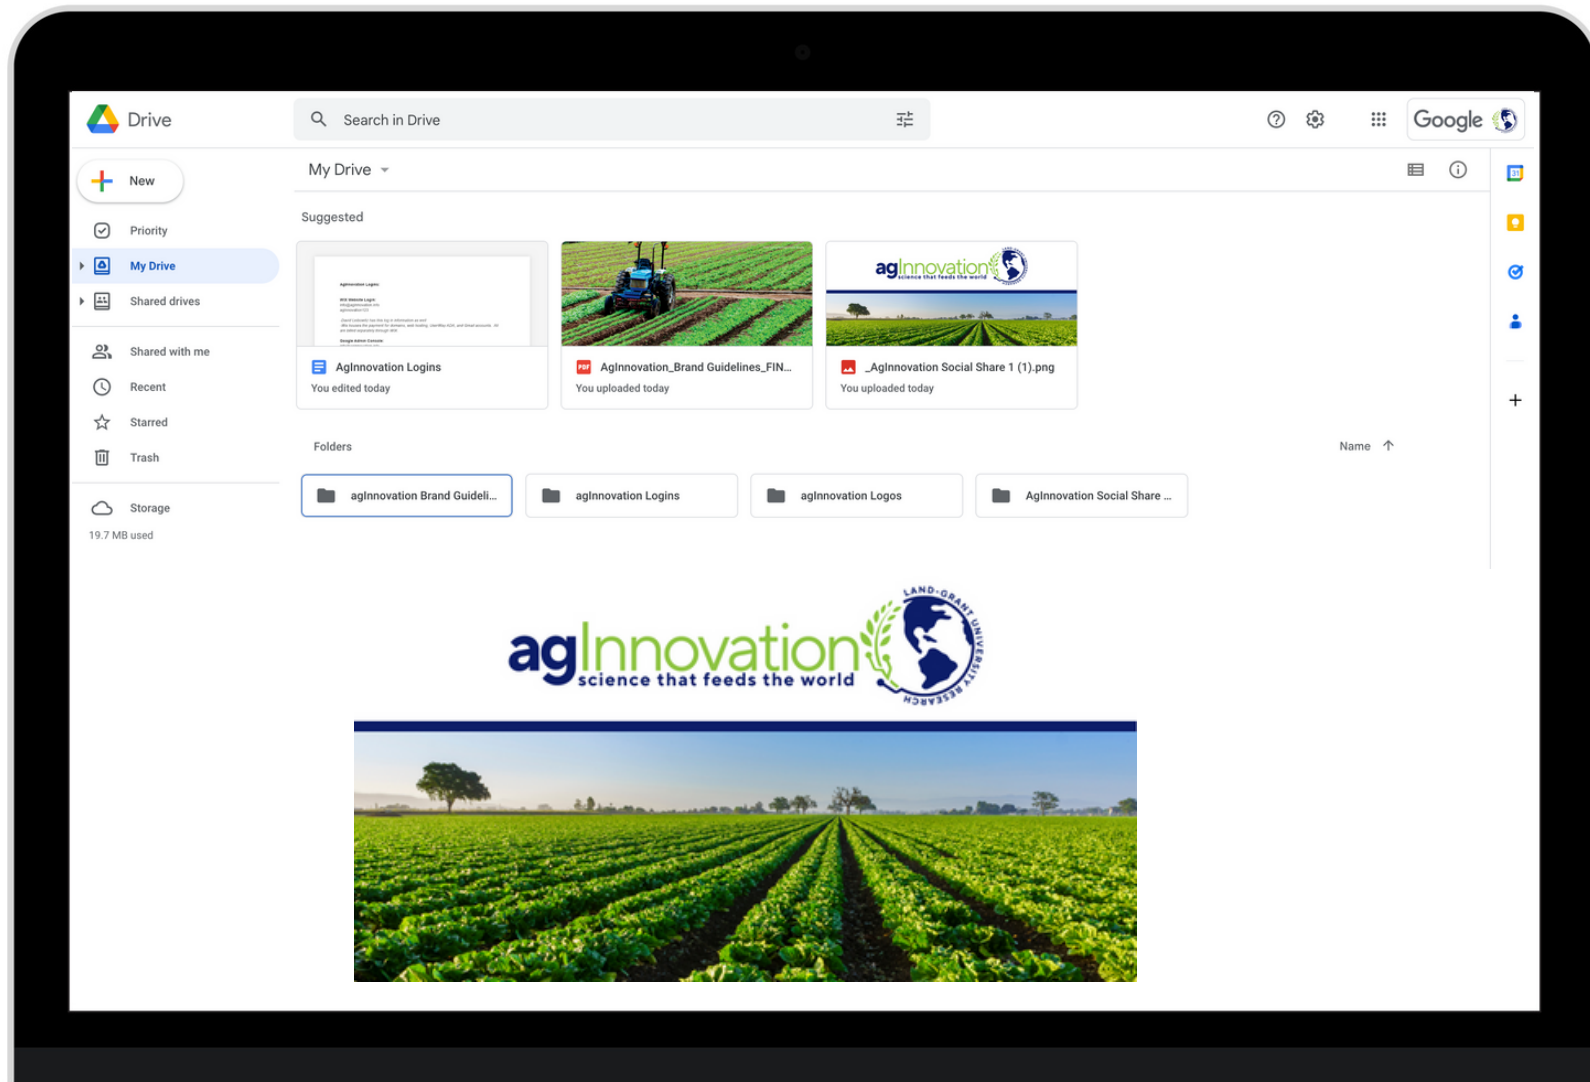

**DO NOT** place logo on low-contrast background.

Consistency is key for achieving the goals of the agInnovation brand. Please keep this in mind when handling the logo or providing to vendors.

# Google Drive Asset Library.

- Brand Guidelines
- Logo files (.ai, .eps, .png, .jpg)
- Social Share graphics
- Font files

# Domain Selection

# The Domain.

## www.aginnovation.info

- The extension .info is already familiar to ESS community as current site is [www.ESCOP.info](http://www.ESCOP.info)
- Attempted to secure **www.aginnovation.edu**
  - There were issues related to no central institutional structure for ESCOP
  - Initiating the process of becoming a known entity recognized by the Department of Commerce is essential
  - Need to be an accredited body (or linked to one) for .edu
- Secured **www.aginnovationLGU.org** as well

# Website Walk-Through

# Website Development.

- **Committee reviewed content**
  - Committee members filled out Google tool to provide PIVOT Creative & Consulting with information, links, documents, etc.
  - Use the wireframe concept to organize site build-out
- **Pulling from MANY sources to organize content has been challenging!**
- **Final edits made**
  - Input from committee gathered
  - Final website concept completed
- **Special features added**
  - ADA Compliance
  - Language Accessibility
- **Training of ESS staff complete**
