

# Welcome to NIPMCC

# NIPMCC Charge

Charge: Make recommendations to ESCOP and ECOP on programs, policies, reports, and other matters that affect pest management implementation, and make recommendations on budget matters relating to pest management. Assist in development of reports and **strategic plans** on pest management issues. Pursue activities that facilitate coordination and collaboration nationally among and between IPM research and extension at the Land-grant universities, and between the Land-grants and Federal agencies involved in IPM.
